PeaceHealth St. John Medical Center

Established in 1943, PeaceHealth St. John Medical Center, alongside clinics in Longview and Woodland, serves as a vital healthcare hub in Cowlitz County, Washington. PeaceHealth St. John is the community's sole hospital, being a Level III trauma center. The medical center offers extensive specialized services and programs, encompassing emergency care, trauma treatment, cardiac services, behavioral health support, orthopedics, cancer care, birthing services, and women's health, all contributing to the local community's well-being.

Overview

Service Area

Cowlitz County, located on the Columbia River in southern Washington. Longview is home to over 35% of the county's residents, followed by Kelso with approximately 11%.
