Sacred Heart Medical Center, University District provides community-based health services, including 24-hour emergency medical care, rehabilitation and inpatient medical and behavioral health treatment. The Sacred Heart University District campus recently expanded its Behavioral Health Services facility, adding a 25,684-square-foot inpatient unit with 35 private rooms, 20 of which are secure. University District is the site for some of our most groundbreaking programs, including a medical education collaborative program with Oregon Health & Science University.

**COMMMUNITY:**
Eugene-Springfield is the third-largest metropolitan area in Oregon. Home of the University of Oregon, Eugene boasts cultural amenities typical of much larger cities, from the Jordan Schnitzer Museum of Art to the world-famous Oregon Bach Festival.
PeaceHealth is a not-for-profit Catholic health system offering care to communities in Alaska, Washington and Oregon. PeaceHealth has approximately 16,000 caregivers, a multi-specialty medical group practice with more than 800 physicians and providers, a comprehensive laboratory system, and 10 medical centers throughout the Northwest. In 1890, Sisters of St. Joseph of Peace founded what has become PeaceHealth.

**OUR MISSION**

*We carry on the healing mission of Jesus Christ by promoting personal and community health, relieving pain and suffering, and treating each person in a loving and caring way.*

**OUR CORE VALUES**

**Respect** – We respect the dignity and appreciate the worth of each person as demonstrated by our compassion, caring and acceptance of individual differences.

**Stewardship** – We choose to serve the community and hold ourselves accountable to exercise ethical and responsible stewardship in the allocation and utilization of human, financial and environmental resources.

**Collaboration** – We value the involvement, cooperation and creativity of all who work together to promote the health of the community.

**Social Justice** – We build and evaluate the structures of our organization and those of society to promote the just distribution of health care resources.
