

Accessing Career Opportunities from Outside the PeaceHealth Network

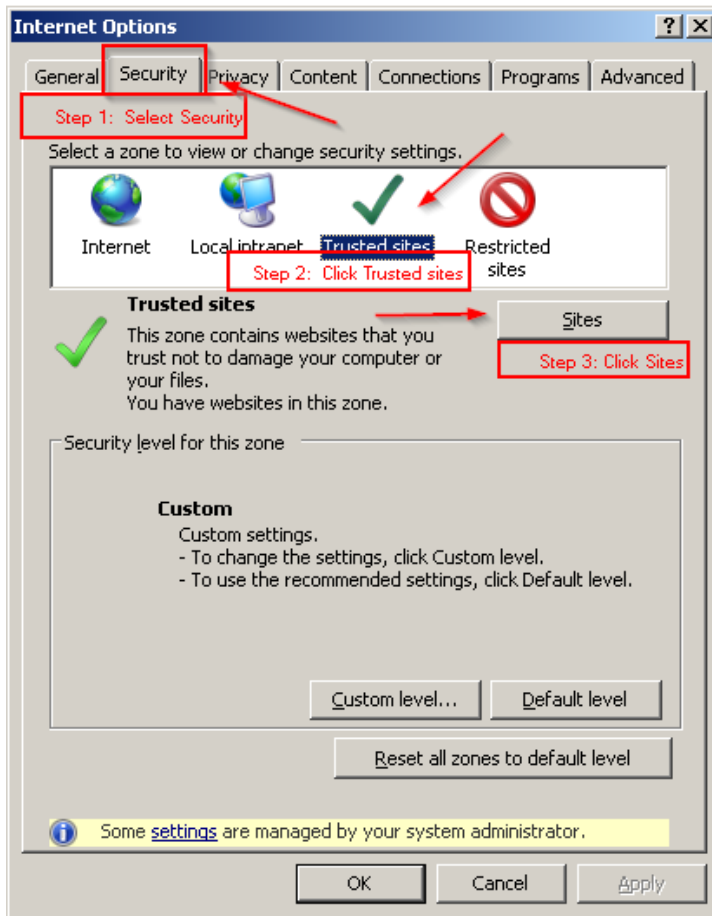

A Guide for PeaceHealth Caregivers

Please perform the following steps in order to add SuccessFactors as a trusted site on your computer.

- (1) Open a browser. If you are using Internet Explorer, you will need to add this website as a “Trusted Site”
- (2) Click on Tools, Internet Options

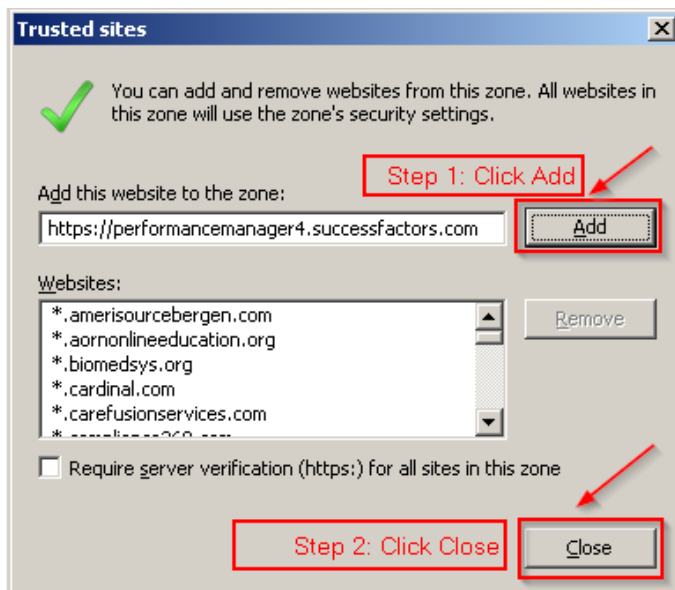

(3) Click on Security, then click on Trusted sites, then click on Sites.

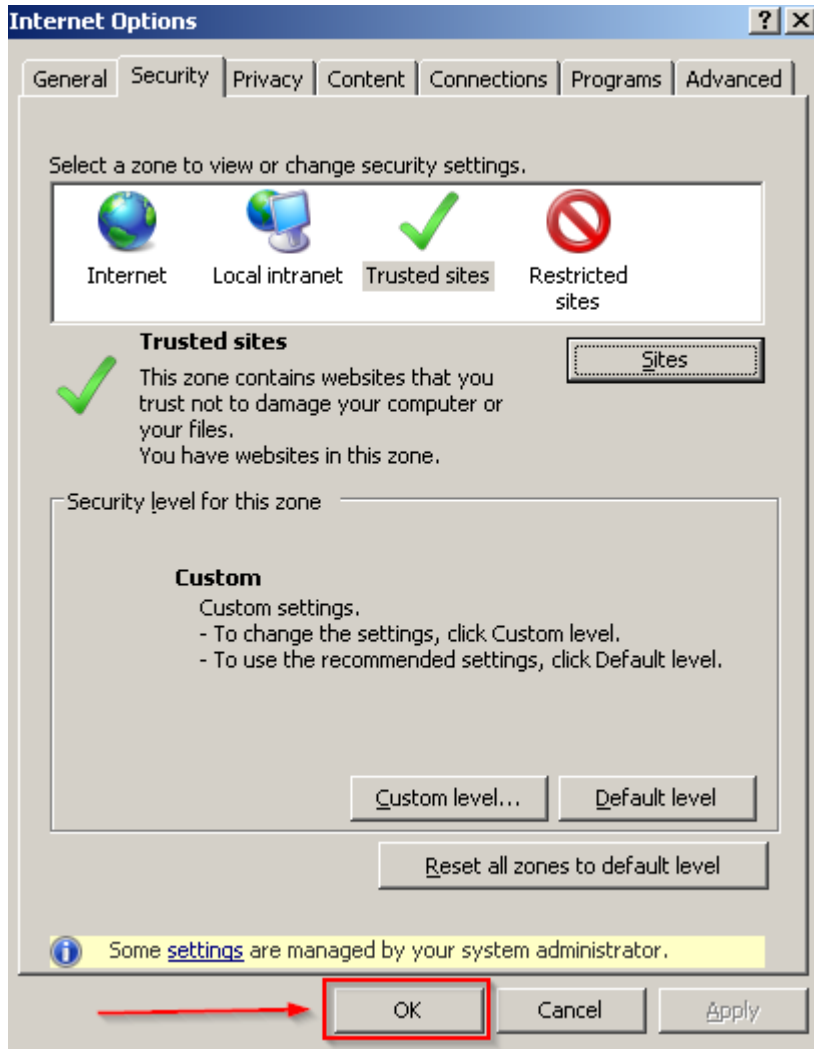

(4) Enter <https://performancemanager4.successfactors.com>, then click Add.

(5) Click Close

(6) Click Ok.

(7) Close your browser.

(8) Open a browser and navigate to <https://secure.peacehealth.org>. Log in using your network credentials.

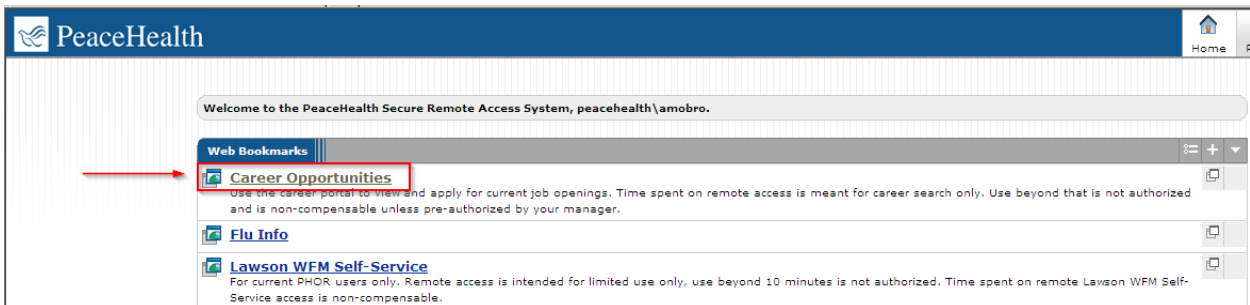

Welcome to the
PeaceHealth Secure Remote Access System

Username

Please sign in to begin your secure session.

Password

(9) Click on Career Opportunities

(10) If you see this screen – you need to add <https://secure.peacehealth.org> as a trusted site to your Internet Explorer browser. Refer to step (2) for these instructions.
